

How to Log in and How to stop having to put in User Name and Password each time you Log-into System.

To log into system your user name is UFAD\ your *gatorlink* for example my login is UFAD\gatorlink then your password.

In Internet Explorer 7 (Internet 6—or other browsers or slightly different)

1. Go to Tools
2. Internet Options
3. Settings
4. Local Intranet
5. Sites
6. Advanced
7. Type in <http://my.ifas.ufl.edu> -> Add, then <https://my.ifas.ufl.edu> -> Add
8. Close

The next time you are in the system you will not have to type your password, Until you have to change your gatorlink password.
